Sidney, Ohio – Mutual Federal, A division of First Bank Richmond is proud to celebrate 100 years serving Shelby and Miami counties. Founded August 25, 1922, Mutual Federal originated as First Mutual Savings and Loan Association with one location and just six employees. Mutual Federal has grown to five full-service bank locations located in Sidney, Piqua and Troy, Ohio, and a loan production office in Columbus, Ohio. They currently have 33 employees supporting our customers.

*“Mutual Federal was originally founded and chartered as First Mutual Savings and Loan Association back in 1922, organized around two primary tenets - to provide quality banking services on a more personalized basis to the people in Sidney and Shelby County, and to become a recognized exceptional corporate citizen that strives to improve the quality of life in its communities through its direct financial stewardship and its dedicated community involvement. Today, as Mutual Federal celebrates its 100-year anniversary, we remain diligent in successfully meeting our mission that is focused upon these same two very important and fundamental objectives, by striving to maintain our recognized and respected community leadership role in the markets that we serve, and by simply delivering the dependable and quality brand of service that all our customers have come to deserve and expect. As time has passed and the overall technological capabilities in the financial services world has dramatically improved, we have steadfastly maintained our commitment to the community by delivering innovative and effective solutions for our customers and future generations for financial success. We are extremely proud of our community and of our heritage, as we anxiously now begin to look forward for beginning the next 100 years of continuing to provide our constituents with excellence in banking!”*
